

Dear Colleagues,

We thank you for your contributions to the 19th Serbian astronomical conference (19th SAC).

As the dates of our first ever virtual Conference in SAC Franchise are approaching, preparations for the launch of 19th SAC continue apace.

Please follow the important updates and logistic information:

1) The Book of abstracts is in preparation and will be published in both print and digital-pdf forms. Digital version will be available for download on the Conference website in coming weeks.

2) We ask all participants to check out the pdf and video tutorials on how to register for the virtual access to the Conference and login to participate and give lecture via Zoom because these instructions will make you acquainted with the Zoom functionalities:

- the pdf tutorial on Virtual Conference registration and Session attendance can be found here

http://astro.math.rs/kas19/Zoom_registration_joining_19SAC.pdf

- the audio tutorial for Conference attendees and presenters is available here

<http://poincare.matf.bg.ac.rs/~dmarceta/zoom%20tutorial.mp4>

*** Please note we will organize special Conference simulation test-sessions for all Participants several days prior to the 19th SAC. You will receive an automatic invitation to join these test session.

2) Poster presentation:

The virtual platform for uploading of ePosters is activated and available at <http://astro.math.rs/kas19/index.php?page=posters>

Posters can be presented as 5min talks, so ePoster presenters are kindly asked to follow tutorials in 2).

If you do not wish to present poster please inform the Organizers via emails stanislav@matf.bg.ac.rs, sac19mail@gmail.com

Please follow the instructions for poster preparation at

<http://astro.math.rs/kas19/index.php?page=guidelines#poster>

3) Check the Conference website <http://astro.math.rs/kas19/> for resources and tips to help you make the most of your experience before, during, and after the Conference.

We are looking forward to seeing you at 19th SAC!

Organizers
